ASSUMPTION
COLLEGE

OFFICE OF THE PRESIDENT

Dear Graduates:

Most of you arrived on the campus of Assumption College four years ago uncertain about what lie ahead of you. I am sure that you went from moments of anxiety to moments of excitement as you began this chapter in your life. Now, four years later as you come to the end of your college education, you may be experiencing the same moments of excitement and anxiety as you look into the future yet to unfold with all of its opportunities and challenges. Yet, you face that future as a very different person than when you first stepped foot on this campus. And while the uncertainties are surely there, you are prepared to meet the future because of the education you have been privileged to receive as a student at Assumption College. Through the efforts of the faculty, staff, and administration you have been exposed to a wide array of disciplines which have expanded your mind as you have considered new ideas, new ways of looking at the world around you, and new ways of questioning. Above all, we have sought to prepare you to think through your values and life as we have formed your mind, heart, and soul.

Regardless of your degree - whether in business, education, the sciences, the social sciences, or the humanities, your education at Assumption has been distinctive. Your education affirms a set of values grounded in the Catholic intellectual tradition. At Assumption we recognize that learning is sacred because in our quest for knowledge and truth, God reveals Himself and in that act of revelation we are transformed and, in turn, the world itself is transformed.

As you go forward from this place, it is my deepest hope that Assumption College has not only been a place where you have learned and developed to live successfully in society. Rather, it is my hope that it has also been a place where your values and beliefs have been formed and that you feel compelled to create a better world for all people. If that is indeed the case, then the College motto, "until Christ be formed in you" has become a reality in your life.

Congratulations on your accomplishments and my sincerest best wishes for a successful future. God bless you.

Letter from the President

ASSUMPTION
COLLEGE

Dear Class of 2009,

We may not be able to rewind time, but we can take a moment. Pause... Reflect and remember memories that formed some of the best years of our lives.

Think back to when we were just beginning our journey at Assumption College. We were freshmen, not allowed to have cars, taking the bus to Target, perfecting the use of the microwave, attending floor meetings, and enjoying Sunday sundaes!

As seniors writing this letter, we begin to feel like freshmen year was not too long ago. Yet many things have changed. Now we are perfecting the use of the oven, skipping out on floor meetings, and surprisingly admitting that we miss Taylor. We are no longer dealing with mixed-emotions about a new school, but now we are suppressing mixed-emotions about graduation.

If you find yourself opening this yearbook, whether it be days or years from now, we hope that you are able to pause momentarily from your current life to reminisce on those four memorable years. During the four years we spent together, we were forming friendships, gaining knowledge, attending events, and engaging in self-discovery. All of those things have helped shape part of who we are today.

We hope you enjoy viewing this yearbook as much as we enjoyed putting it all together. So here is to the class of 2009; without you the memories within this book would not have been possible!

Sincerely,

Cecilia Santos '09

Helpful

Leader

Erica Mandeville

Erica began her journey at Assumption as a freshman entering college for the first time. Her creative energy and high spirits allowed her to fully immerse herself in all of the activities Assumption had to offer. She was an Orientation Leader, a CAB Executive, and an SGA representative. She became an active member of the Reach Out Center and Campus Ministry, participating in several of Campus Ministry's Mission trips. Erica gained many values and enriched others with her constant contribution to the Assumption Community. Her hard work and determination has helped her realize the goals she has set out for herself. Her rewarding undergraduate career at Assumption ended in 2006. Returning to campus, Erica continued her journey here as a graduate student, becoming the Student Activities Graduate Assistant.

Mentor

Erica's journey at Assumption has been a long and enjoyable one that is nearing its end. Along with the class of 2009, she said goodbye at this year's Commencement ceremony. Her dedication to the students and involvement in leadership training has been inspirational. Erica is optimistic, light-hearted, personable, and the door to her office is always open. Without Erica, this yearbook would not have been possible. On behalf of the Class of 2009, we thank her for all her hard work. As cliché as it sounds, it is still true: Erica is always able to put a smile on our face.

Committed

We love you, Erica!

ASSUMPTION COLLEGE

STUDENT GOVERNMENT ASSOCIATION

Dear Class of 2009,

Firstly, I congratulate each and every one of you for your accomplishments and dedication to Assumption College throughout these past four years. Each of you has had an impact on this home away from home, and 500 Salisbury Street will forever be changed because of your greatness. We have all been fortunate enough to find ourselves on the same path to a strong college education. Coming from different countries, the east or west coast, private or public high schools, we all made our way to Assumption College as nervous freshmen in August 2005. Unaware of what these next four years would hold, what classes we would take, who we would share our first dorm room with, were just some of the anxieties that we faced upon arriving at the Home of the Greyhounds.

As the months passed, we quickly adjusted to life on campus, joined different sports teams and student organizations, and devoted ourselves academically in the classroom. Completing courses for our majors, starting on sports teams, committing ourselves to challenging internships, and taking on student leadership roles, Assumption certainly forced us to push ourselves academically, mentally, physically, and socially.

We have also witnessed history as a class throughout these past four years. We have seen the Red Sox win the World Series...again, and the Celtics clinch the NBA Championship title. Assumption was our home as the War in Iraq continued, watching our troops fight for our safety and protect our freedom. Perhaps one of the greatest historical moments of both our college career, and of our lifetime was the inauguration of the first African American President, Barack Obama. As these historical gains passed by, we noticed our own individual growth as emerging leaders of society.

I want to take this opportunity to personally thank all of you for endowing me with the honor to lead and serve you as Class President. It has not only been a privilege to observe the accomplishments and contributions of our class, but I am gracious for having been chosen as a leader among so many incredible individuals. Your spirit, enthusiasm, and dedication throughout these past four years have made this an amazing journey.

Please treasure the laughs, tears, and enjoyment that you each hold inside. As you embark on your next journey in life, always know that your path to success has stemmed from your years at Assumption, made with lasting friends and memories. Good luck and God Bless.

First Night Out at Jillian's

The Senior class put their best feet forward as they stepped out in early September to join their fellow classmates at Jillian's Billiards in Worcester. After a summer apart, it was obvious that the class of 2009 was eager to reconnect. Everyone was looking their best as they shot pool, took a chance at arcade games and shimmied up to the bar. Assumption Seniors occupied half of the lounge socializing and enjoying themselves as live music played. Their final school year started off a success with *First Night Out!*

Halloween 2008

A Night of Fright and Delight

Above: Meghan Clasby and Erin Nadeau had fun in South

This year, Assumption's senior class was out in full force on Halloween Night. Michael Phelps made a few guest appearances, as well as Indiana Jones and Sarah Palin. Even a bunny and a couple of chipmunks were running wild on campus as the weather proved to be mild and agreeable. Many students gathered on campus, celebrating Halloween with their own style, while others ventured out into Worcester to join in on local fun. All in all, Halloween 2008 proved to be a memorable and fabulous night for the class of 2009!

100 Days 'Til we say our goodbyes...

Above: Julianne Perry, Courtney Koester and Kerry O'Rourke welcome the seniors to the 100 Days party

On February 6th, 2009 Maxwell Silverman's welcomed Assumption College as the seniors celebrated the 100 Days left before graduation. Temperatures were low and snow was on the ground but that did not stop the Class of 2009 from coming out and celebrating their last few months as Assumption undergraduates.

There was dancing, food and music from T.I.'s "Live your Life," to the Cha-cha Slide; everyone looked their best as they danced the night away. The 100 Days party was a success, even though mixed emotions stirred all around us. As we get ready to say our goodbyes we will never forget the disco ball or the coat mishaps. All in all this was a night to remember!

Senior Retreat

The senior retreat was held from Friday, February 13th to Saturday, February 14th at the Calvary Retreat Center in Shrewsbury. Following the theme of previous senior retreats, this helps seniors discover who they want to be and prepare them to leave Assumption College.

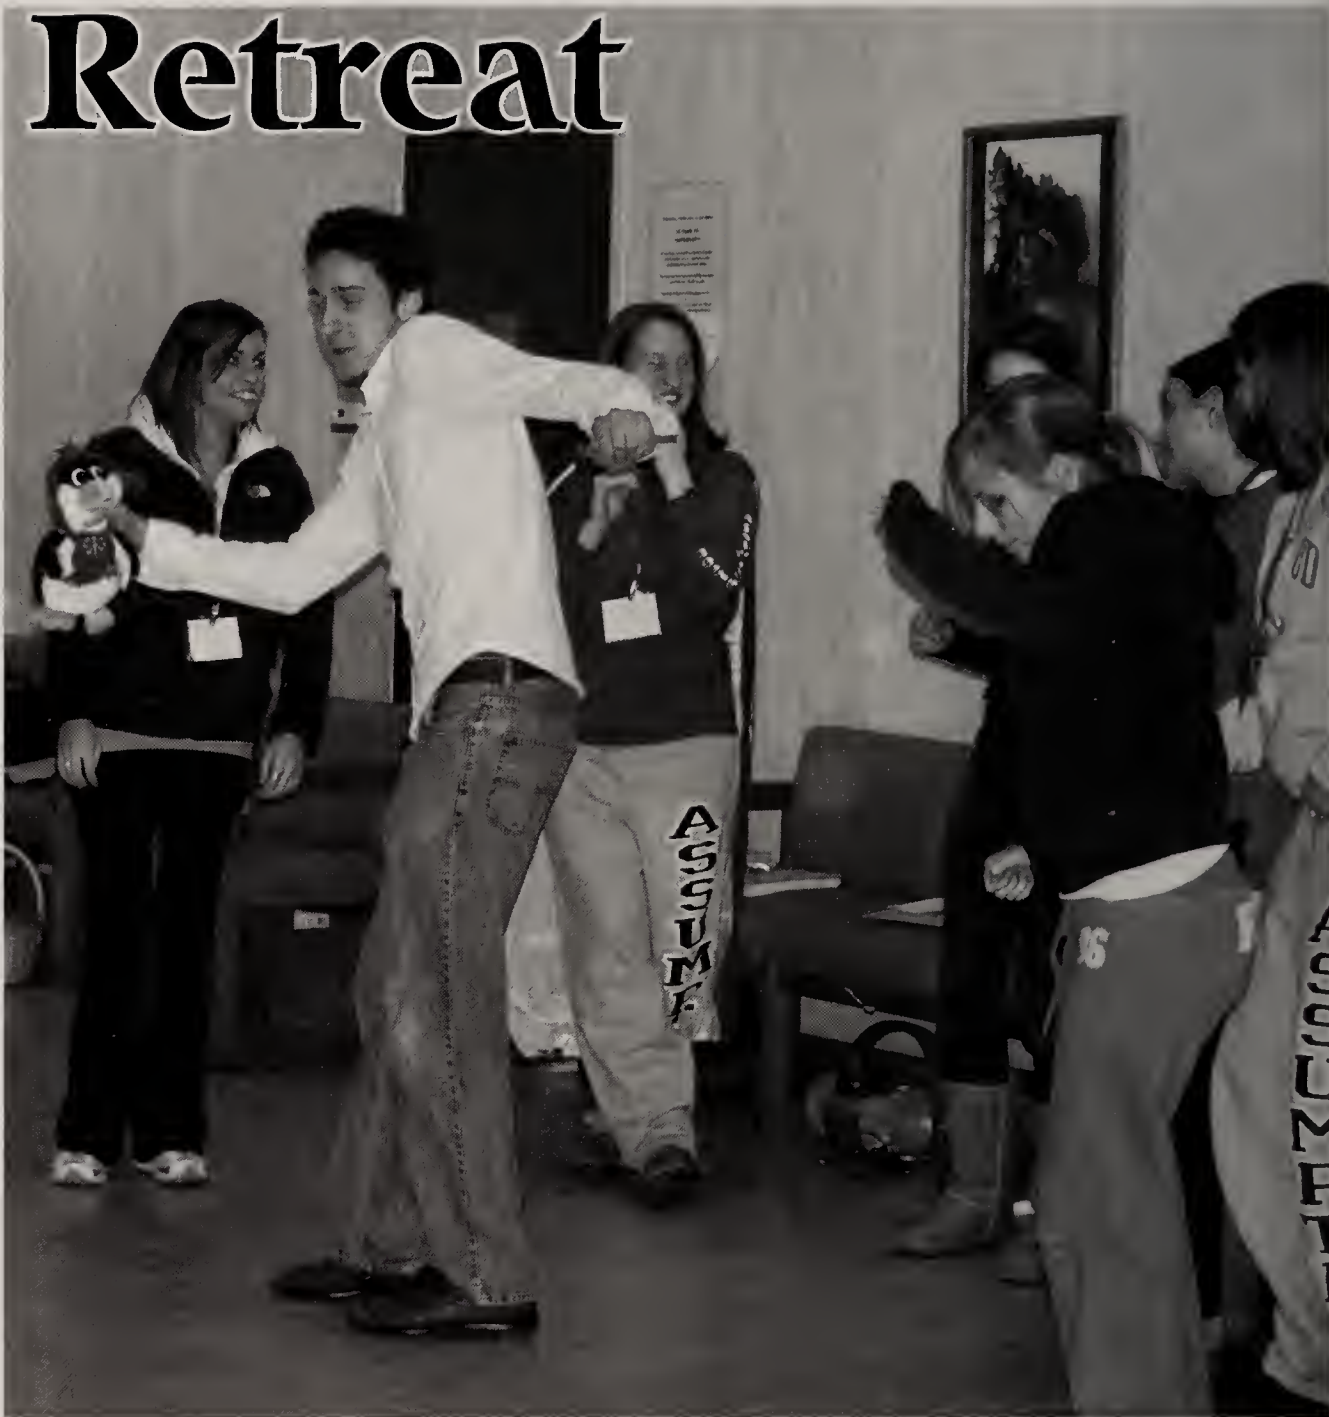

Led by rectoras Meghan Cassidy and Kait Bevins, the weekend started with ice-breakers that led to talks about growing up, the future, community, and faith.

It was a time for laughter and tears, and most importantly, bonding with fellow class members that may have not known each other.

The senior retreat was a complete success and brought the Class of 2009 much closer.

Nearing the end...

50 Days

Club Fusion was the place to be on April 3, 2009. Assumption seniors filled the lounge and club to celebrate the 50 days left before Commencement. A fog machine filled the room with a haze, while a DJ played the latest hits. A mix of emotions was felt by all; both excitement and denial that graduation was right around the corner.

Last Night Out:

One Last Call

With only two weeks left until graduation, the class of 2009 went out one last time to Jillian's on May 1st, 2009. Spending the night dancing, playing pool, challenging each other to different video games, and sitting back to talk and watch the game on the big screen, the class was able to celebrate all together right before finals started.

Last Supper

As finals came to a close there was a mix of relief, satisfaction and nostalgia amongst the seniors. The end of finals meant the beginning of Senior Week – a week-long event where the Class of 2009 would reminisce about their four years at Assumption College. The "Last Supper" at Taylor was the first event of the week, where Taylor Dining Hall provided us with our all-time favorites. The menu included chicken tenders, macaroni and cheese, and curly fries, followed by an array of desserts.

As we began to think that we would never see Taylor Dining Hall again, the Senior-Faculty BBQ was relocated inside due to the weather. So once more we dined at Taylor and conversed with our professors over hot dogs, sausages, potato salad and burgers. Though entertainment was provided at the BBQ, we can never forget the jukebox that so diligently played "Summer Nights" at both events.

Senior Week Moonlight Cruise

The buses left campus at 9:30 pm, headed toward Boston for the Moonlight Cruise on May 12, 2009. The students boarded the *Odyssey*, for a trip around the Boston Harbor. Seniors rocked the boat, enjoying good food, open bar, and dancing.

Students had access to four levels of the ship, spreading out to enjoy the music, moonlit scenery, and company of friends. It was a late, but fun-filled night and the buses returned at 3:30 am, May 13, 2009.

Senior Week Hawaiian Luau

The Senior Week festivities continued with the Annual Luau held in the Plourde Recreation Center. The Class of 2009 enjoyed a spread of Hawaiian style food including chicken and beef kabobs as well as a seafood station.

The DJ on hand played the top music of 2009, as well as some old favorites that got even the

wallflowers on their feet. The band "Astrovan" entertained the rowdy seniors while everyone talked, recalled past memories, danced, and chowed down.

Senior Week

Last Day

May 14, 2009 was a busy day for all. Seniors had the option to spend the day in Newport, Foxwoods, Patriot Place, or participating in the Golf Scramble. The options made for a very personalized senior week experience.

Later that night, comedian Ace Aceto and hypnotist Frank Santos performed at the DCU center. Students enjoyed complimentary pizza and cash bar, while watching as fellow classmates did crazy things under hypnosis.

Baccalaureate Mass

Saint Paul's Cathedral

The Baccalaureate Mass takes place each year on the evening prior to Commencement at the Cathedral of St. Paul in downtown Worcester. This mass gives seniors, as well as their families, the opportunity to prayerfully celebrate the new chapter on which the graduates are about to embark. Graduating seniors serve as greeters, lectors, gift-bearers, and ushers. This year's lectors were Lauren Brunault, Melissa Nally, and Cara Noyes. Meghan Cassidy, senior class president, and senior SGA executives Stephanie Boucher, Meghan Donahue, Jen Conet, and Katy Hartigan served as gift bearers. The ushers included Kayla Don Francesco, Jessica Grady, Christina Rivera, and Katey Ziter. Music was provided by the Chapel Choir, featuring accompanist Frank Corbin and director Jane Shivick, who was conducting her final Baccalaureate Mass.

The Cathedral was full to capacity as numerous Assumptionists concelebrated with Bishop Daniel Reilly and Fr. John Franck, AA, who offered the homily. At the conclusion of the mass, those seniors committed to a year of volunteer service were recognized. This year's Baccalaureate Mass proved to be a wonderful liturgical celebration of the Class of 2009.

Baccalaureate Soirée

Following the Baccalaureate Mass many of Assumption's students and their families attended the Baccalaureate Soirée in the Plourde Recreation

Center. The night included a chocolate fondue bar, other desserts and coffee, as well as a cash bar.

The live band "Stardust," also known

as "Boston's Super Band," provided the entertainment. Their set included songs spanning from the 1940s to current hits.

This event brought friends and families closer on the night before Commencement.

May 16, 2009

The Class of 2009 graduated on Saturday, May 16, 2009. Throughout the ceremony the sun was shining, further brightening the day of joy. Students lined up in the Plourde Recreation Center and walked from there to the large, white tent where the ceremony was held. The speeches addressed how to achieve success and happiness in these declining economic times. The keynote speaker was Anne Lynam Goddard '77, President and CEO of the Christian Children's Fund. Goddard's life story is an inspiration to all. This significant milestone was celebrated with excitement, some sadness, and most importantly, support from our families and friends.

Clubs and Activities

Smile! You've Got CAB

The Campus Activities Board, more fondly known as CAB, is one of the largest event planning organizations. CAB is one of the best ways to become involved and active on campus. It provides a multitude of opportunities for students to contribute their input about what events they would like to see on campus, have a hand in executing the event, and also gives them a chance to interact with their peers at the event itself. CAB is the perfect organization for those who want to make the most of their four years at Assumption College!

LE PROVOCATEUR

Stop The Presses!

Le Provocateur is the bi-weekly student run school newspaper. We cover campus, local, and even national events that are relevant to Assumption students. This year's staff is fun and energetic, working together to make our newspaper the best it can be for the college community. Without us, students would not have a place to publish their opinions and investigative stories for all to see.

HEIGHTS YEARBOOK

A Picture's Worth...

Being a yearbook editor means more than just preparing a book for a graduating class. It is our job to put together a book that captures the essence of what Assumption has meant to us all. This yearbook holds a special place in our staff's hearts. Not only is this our first yearbook, but also our last, as we all belong to the graduating class of 2009. This book follows our journey as Assumption College undergraduates, highlighting the best times we have all had; while forever incapsulating the faces of the people that were there to see us through it all.

NascaRAs: The Office of Residential Life

Being an RA is a very unique experience. The best way to describe it is by saying that you are living "life in a fishbowl." Everyone is constantly watching you. This might sound negative to you, but once you're an RA it's very much a positive and extremely rewarding. You never realize until you become an RA, or any student leader for that matter, how much of an impact you can have on the lives of others. Being an RA has been one of the most rewarding and life changing experiences we have had at Assumption College and we wouldn't trade it for anything.

Student Government Association

SGA is a cohesive group of executive staff, senators, and class officers. Members not only boldly embrace the responsibilities endorsed by their elected position, but form a working team. Members represent the voices of students, acting as a liaison between administration and the student body as they seek positive changes for the college. SGA continuously works to be an active forum that both represents and creates unity.

This year's Student Government Association had a productive and exciting academic year, from implementing biodegradable products in Charlie's and initiating a Green Bikes Program, to establishing a book club. When it came down to it, SGA members "said what they needed to say."

Reach Out Center: Reaching Out to Others

As a service director in the Reach Out Center for three years, I have become a new person, not only in the way I interact with others, but also in the way I perceive the world. The Reach Out Center allows students to journey into the community and serve various agencies with many different populations. Through volunteering I feel as though I have actually helped myself more than helping others, as I have grown immensely as a person with a new outlook on life. To me, the Reach Out Center is a family I feel that I can always go to with people supporting me in everything I do.

Campus Ministry: Until Christ Be Formed In You

Campus Ministry is a community of students, faculty, and staff gathered as one body in faith. Campus Ministry unites the students of Assumption to grow in their faith and relationship with God. For me, Campus Ministry is the outlet that has allowed me to develop my own beliefs amidst a support system that has become a family. Through Candlelight Prayer, Praise and Worship, Rosary and Chaplets, START I and II retreats, SEARCH retreats, the Senior retreat, Creative Events, Liturgies and Chapel Choir, taking action for Social Justice, and spreading our mission through SEND trips, we work "until Christ be formed in you."

Greyhounds *Football*

This football season was a tough one. We had our ups and downs, but it was certainly a memorable one. Our new coaches brought about a big change. Even though our final record wasn't what we expected it to be, we did end the season with a lot of positives. We have a staff who is committed to the team, and to the common goal of winning.

With only six graduating seniors, the young core of players have big expectations for next year, and will work their hardest to achieve them. The efforts and commitment of these seniors will continue to have an impact on the team as a whole.

Women's Field Hockey

This year's Field Hockey team, although not as successful as we had hoped, had the most heart that a team can have. We are all so close and always have fun together. There are many leaders on the team and we always help each other out.

I am sad to graduate and leave them next year, but I am happy to know that I will always have the memories of Assumption College Field Hockey and the lifelong friendships we built.

Greyhounds

Men's Soccer

The Greyhounds' season ended at 6-7-5 overall after qualifying for the conference playoffs for the 4th time in history, and the 1st time since 2001. Under the direction of second-year head coach Jeremy Bonomo, the Greyhounds have become one of the most improved programs in the conference over the last two years. Bonomo credited a total-team effort; pointing out that many players had to switch positions because of a number of injuries.

This year's Lady Greyhound soccer team produced an overall record of 7-9-2, and a Northeast-10 Conference record of 4-8-2. The leadership qualities of seniors Elise Hennrikus and Caitlin McMullan helped the team reach many of their goals throughout the season, as well as keep the team together through some tough losses. Strong games included wins against American International (2-1), Southern New Hampshire (3-2), New Haven (3-0), and Pace (4-0) among others. With the graduation of two seniors, next year's young squad looks to achieve even greater success on the playing field.

Men's Cross Country

The 2008-2009 Cross Country team showed great success as they finished 11th in the N.C.A.A. Regionals, and had three runners place in the top 50. Within the Northeast-10 Conference, the Greyhounds ranked 6th. The men showed strong performances in the Massachusetts Dartmouth Invitational, placing 15th out of 38 teams, and in the Williams College Invitational, earning the 1st place honor. Seniors Dan Bryant and Brendan Mari were both great assets to the team this year.

Women's Cross Country

These Lady Greyhounds achieved great success ranking 14th overall in the N.C.A.A. regionals and 11th at the Northeast-10 Conference.

Senior Heather Gostyla paced the team, finishing 2nd in the Worcester Cross Country Championships, followed by fellow senior runner, Alyssa

Gaglione, who finished 24th. These Greyhounds demonstrated a very strong performance at the Massachusetts Dartmouth Invitational, finishing 21st out of 41

teams. With a young team, these ladies can look forward to greater results as they cross the finish line next year.

Greyhounds *Volleyball*

This year's Lady Greyhound Volleyball team had a difficult season. Although their record may not have showed it, they experienced great success both on and off the court and learned how to work better as a team. They had

strong wins over Missouri Western State, Worcester Polytechnical Institute and St. Anselm.

With only one graduating senior, Nicole Kfoury, these ladies look to show much improvement next season.

The 2008-2009 season for this year's graduating seniors was by far the most successful over the past four years. Earning the Northeast-10 Conference Championship crown, these Greyhounds ended the season with a 23-10 record overall.

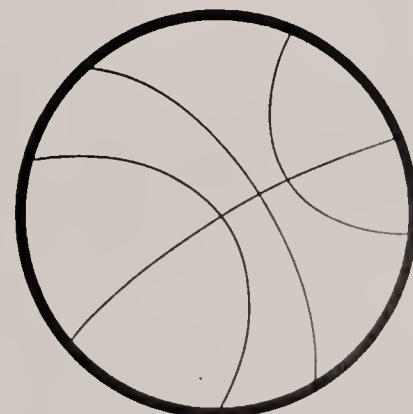

With constant support from the Hound Pound, these Greyhounds showed their fans how teamwork and dedication bring about success.

The 2008-2009 season featured a number of players who led this years Greyhounds to another Northeast-10 tournament. The season opened up with a huge exhibition game win over cross-city rival Holy Cross and a five game winning streak. Although the beginning of the season proved to be successful the end was filled with both ups and downs.

However, the Greyhounds fought back to open the Northeast 10 tournament with a home game but unfortunately lost in the first round. Upon graduation of their two seniors the Greyhounds will look to improve in the off-season and be ready for next year.

Although this year's Greyhounds ended their season with a 6-16-4 record overall, they proudly represented Assumption College with NE-10 all-star honors. Freshman Taylor Larsen, who led the Icedogs in scoring with 12 goals, was named to the all-rookie team and earned Freshman of the Year accolades. Fellow

freshman, Pat O'Kane was also named to the all-rookie team.

The team as a whole had strong wins against Stonehill (3-0), Becker (3-1), Westfield State (6-4), Franklin Pierce (2-1), and swept Salve Regina (3-1; 6-3).

Greyhounds *Softball*

The 2008-2009 Lady Greyhound Softball team finished the regular season with Northeast-10 record of 14-14, putting them in the top eight for the conference and securing them a spot in the playoffs. They were able to clinch a playoff berth by defeating Stonehill twice in a double header on April 26, 2009. In the first game, AC beat Stonehill 2-1, scoring runs in the fourth and eighth inning. Assumption pitchers Jennifer Lowery, Casey Halajian, and Chelsea Durso held Stonehill to a mere three hits over the eight-inning game. Although the team will lose senior captain Melissa Bowman this year, they are poised to come back as a major threat to their conference.

Baseball

The 2008-2009 Greyhound's baseball team has proved to be a viable contender in the Northeast-10. Led by captains Mike Baillargeon '09, Michael Colebrook '10 and Derek Migrants '10, they were able to beat the top two teams in the conference: Franklin Pierce and Southern Connecticut.

With a team batting average of .312, AC

Baseball won more than ten games scoring over ten runs. The team hopes that this kind of offense improves and flourishes as the years go on. With only five graduating seniors on a twenty-seven-man roster, this is certainly an achievable goal.

Senior captains Mike Sjogren and Kevin Jurgens led the 2009 AC Men's Lacrosse to a final record of 7-8. The record, however, does not reflect the hard work and passion that went into the 2008-2009 season.

The team's biggest win came on March 18, 2009 when they defeated Anna Maria 21-0. Twelve Greyhounds scored goals, while another twelve had assists. With twenty-one out of thirty players being underclassmen, and new head coach Mel McKee to guide them, the young team has a bright and promising future ahead of them.

The 2009 Men's and Women's Tennis teams both had a successful year. The Lady Greyhounds finished their season with a record of 5-9 with the help of standout performances from Melissa Ferry and Marissa Charles.

The Men's team, after taking a year off, finished their season with a record of 3-8. Seniors Mike Moore and Steve Tlumacki helped pick this team off their feet after the year-long break.

Senior captains Molly O'Connell, Trisha Domingos, and Heather Gostyla topped the leader board for the 2008-2009 women's track season.

The indoor season began at the Reggie Lewis Center in Boston with standout performances from the three captains as well as junior runners Alicia King and Erin Coakley. The outdoor season proved to be more of a success with multiple Assumption

athletes placing in the top fifty percent of their respective events. At the Connecticut College Invitational, O'Connell placed second in both shot put and the discus throw. Domingos placed seventh in the long jump and Gostyla placed fourth in the 1500 meter run.

This past summer's First-Year Student Orientation program was a huge success because of the strong efforts from a twenty-eight person staff. The Orientation Leaders were a lively bunch, led by Chairpersons, Meghan Cassidy and Gerard Magnarelli of '09, along with Parent Leaders, Brittany Gorham and Katy Hartigan of '09, Brian Foley and Collin Sumera of '10. Working during the month of June, the dedicated OL's led over 650 students and parents around campus. The group of student leaders quickly formed an incredible bond, that grew stronger throughout the school year. They enjoyed numerous summer outings including a trip to Water Country, a mini-golf excursion, and dinners out in Worcester. The laughter, excitement, and enthusiasm of the 2008 Orientation Leaders will forever shine at Assumption College.

The Matriculation Ceremony

Welcoming the Freshmen

The Matriculation Ceremony was held September 2, 2008 to celebrate the entrance of the class of 2012. As the second ceremony to date, it emphasizes the importance of a well-balanced life at Assumption College. Dr. Frederick Travis, the Interim Provost, Professor Bernard Dobski, Dr. Catherine WoodBrooks, Fr. Dennis Gallagher, and President Francesco Cesareo all spoke to

the freshmen and welcomed them as well as informing them of the effect that an Assumption College education will have on their lives.

The ceremony was followed by a campus-wide barbeque, which everyone was encouraged to attend.

Parles-vous français?

In November 2008, roughly two hundred members of the junior class loaded onto four buses bound for Montreal, Canada. The trip was an excellent bonding opportunity for the class of 2010. Frequenting clubs, bars, shopping venues, and restaurants, AC's juniors flooded the streets of Montreal. All in all it was a weekend of fun and the junior class took the idea of “getting off campus” to a new level. With everyone returned to Assumption safe and sound, the trip was marked as a great success and has provided the class of 2010 with some of the greatest memories from their junior year.

Winter Soirée

Winter Wonderland

The weather outside was indeed frightful on December 10th, when snow and ice took over the Assumption campus. Inside the Hagan Campus Center, students were not bothered by the storm, instead, they enjoyed themselves at the Winter Wonderland Soirée. The guests entered through a balloon arch and a red-carpet inspired path, lined with snow and candy canes. The dance was organized by the freshman and sophomore class assemblies, and everyone there was thanking them for all their hard work. Jordan Betor '10 showed off his DJ-ing skills all night while the guests took advantage of his talents. Sparkling snowflakes and hundreds of lights illuminated the room, while guests posed for pictures in front of a beautifully lit Christmas tree. The night was definitely one to be remembered.

Assumption students were hit with a blast from the past on May 1st and 2nd as they traveled back to the 60's for Worcester Woodstock- Pup Cup Style! The weekend got started with the traditional Mr. and Mrs. AC. Saturday was a busy day of peace and war, starting off with Beatles Bingo in Taylor Dining Hall. Staying true to the essence of Woodstock, the rest of Pup Cup was celebrated outside. First were the basketball and volleyball tournaments on the outdoor courts, followed by a campus wide scavenger hunt. The Carnival included a tie-dying station, inflatables, an outdoor market, and a picture taking station on the Hagan Lawn, while the BBQ took place inside the Plourde. The weekend concluded with the Night Out, Rock Out Dance on Saturday night on the Hagan Lawn. A Night of Mayhem and Madness

Midnight Madness, held on October 14, 2008, celebrated the beginning of a new season for the women's and men's basketball teams. Excitement spread as the student body entered the Laska Gym under the balloon arches. The night started off with members of SGA and the Sports Council greeting the fans with hundreds of giveaways. After the National Anthem host, Alex Mascaro '11, introduced the Cheerleaders and the Dance team who pumped up the crowd.

The night continued with games and audience participation. There was

the "Three Blind Mice" game, where students scurried to collect as much money as possible, the "Half Court Shoot Out," and two new games, including a balloon popping contest and a biggest fan contest.

The women's and men's basketball teams were then introduced, and impressed the fans with amazing three point shots from the women's team and the men's never-disappointing dunk contest.

Family weekend was held from October 24th to October 26th. The theme was "Celebrating Our Roots," and celebrate they did. The weekend coordinated by Kerrin Viveiros '10,

Jess Craven '10, and Jenn Clancy '10, started off with Friday night Bingo. Families were able to play for many different prizes, which included Scene-It, a camcorder and a GPS

system. That Saturday, there was an Assumption College football game, as well as the always fun "Kiddie Carnival," where there were caramel apples and the ADAPT program, Dogs for Dogs.

The weekend concluded with the coverband Beatlejuice, that sang Beatles' songs with 400 people in attendance. The weekend was a success and was able to bring students as well as their families back to their "roots."

Light the Night Walk

On October 19, 2008, an air of accomplishment was felt. Over 600 people joined for the 9th annual Light the Night walk; participants raised over 110,000 dollars for the Leukemia and Lymphoma Society. This fundraiser was headed by SGA Vice President of Student Affairs Jennifer Gonet of '09; who has been involved with the event for the past two years.

The walk started at Laska Gym, and as it continued to Notre Dame High School and back, a feeling of unity was experienced.

The Student Government Association led the walk, joined by many other students, faculty, family, and friends. President Cesareo and his family also joined in the walk.

The evening was a huge success, creating an atmosphere that Jennifer calls, "beautiful... It's something you have to see for yourself. The feeling is indescribable."

Campus was alive as Underclassmen enjoyed their Saturday evening in the Hagan Campus Center at the annual Halloween dance. "Motions and Potions" was a hit for all who attended on November 1st. Juniors and Seniors gathered together all dressed up for a night of fun. Students who arrived early enjoyed a cocktail hour and hors d'oeuvres. The beautifully decorated Christmas tree quickly became a background for pictures while waiting for the night to begin.

When the doors opened, the night filled with good food, laughter, music and dancing. Although the evening had to come to an end, Juniors and Seniors now have memories of a joyful winter night in the city.

Christmas in Charlie's is an annual event that is held in Charlie's for the students to enjoy festivities before heading home for Christmas break. Students were able to make cookies and ornaments. RHA and ResLife hosted a tree decorating contest the night before, when halls got to adorn their own trees to give them their unique flare.

During the event, students got to vote for their favorite tree, while taking a break from studying and enjoying some Christmas cheer.

Calm before the storm...

Midnight Breakfast!

The "Holiday Midnight Breakfast" was held the night of Thursday, December 11, 2008. It was one of the busiest midnight breakfasts ever held. Students created long lines outside despite the weather. As the faculty, administration, and staff served the students, a storm began; halfway through the breakfast, power lines came down, and Taylor Dining Hall was shrouded in darkness.

Despite the fact that this breakfast was held during one of the worst ice storms in Worcester, the amiable atmosphere inside the dining hall helped students take a break from finals and enjoy the brief winter wonderland.

Siblings Weekend

I'm a "Sibs R Us" Kid!

Assumption College's annual Siblings Weekend, themed "Sibs R Us," was held February 27th to March 1st 2009. Our goal was to try to create an atmosphere that would allow siblings for all ages to have fun while they were here visiting.

On Friday we featured a sibs bingo and then an ice-cream social with the viewing of Disney's Wall-E. On Saturday we had the "I Don't Want to Grow Up" carnival. During

this festival, siblings were able to mini golf, slide on two different inflatables, tie dye t-shirts, design their own cookies, and much more.

That night siblings were able to relax in Assumption's swimming pool, followed by a performance by Assumption College's Chorale, and the night ended with magician Nate Staniforth. Overall, it was a huge success.

SEND Program Mission Trips

Campus Ministry's SEND program ventured off to 8 different locations over the winter and spring breaks. They explored various issues of injustice and began to learn about the humanity of people who are in poverty. The SEND trips began in January with a trip to Camden, NJ. Students explored the city and offered ministry of presence to those who are oppressed in both Philadelphia and Camden. The spring break trips expanded this year to 7 service sites. Students worked with issues of education, health care, homelessness, housing, hunger and also performed relief work in the Gulf Coast. In total 59 students and 9 administrators dedicated their spring break to service and were transformed by the experiences they had and the people they met. The service sites included: Baltimore, MD; Bay St. Louis, MS; Bronx, NY; Lansdale, PA; New Orleans, LA; Philadelphia, PA; Washington, DC.

England Trip 2009

All Hail the Queen!

Above: A palace guard

Going to England for spring break with the English Department was an incredible experience I will never forget! We got to see the rural countryside as we drove up to Stonehenge, walked through the exquisite rooms in Windsor Castle, and climbed up the dome of Saint Paul's cathedral. We walked by the Houses of Parliament, stood in front of the infamous Big Ben and toured a replica of Shakespeare's Globe Theatre. We traveled to Oxford, London, Salisbury and Avon and rode the tube, double-decker buses and the London Eye! We did so much in a week and I can't wait to go back!

St. Patrick's Day

It's the Luck of the Irish!

Although St. Patty's Day fell on a Tuesday this year, it did not stop Assumption Students from celebrating their, maybe temporary, Irish heritage. Even in the morning, students were dressed in green, some even sporting a Leprechaun hat and a red beard.

During the day, students were able to buy St. Patty's Day shirts and at night, Students for Safe Choices hosted their own St. Patty's Day celebration.

Many students ventured out into Worcester with style, visiting the many Irish pubs, including Leitrim's, which was a hotspot.

Spring Ball

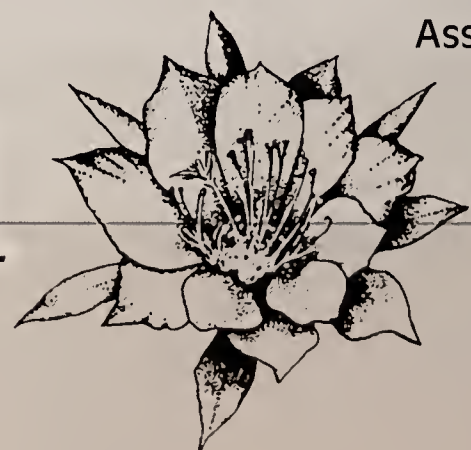

The annual Spring Ball was held at the DCU Center on Friday, March 27, 2009. After enjoying the hors d'oeuvres, students found their tables and friends for dinner. As the ballroom and dance floor filled with students, brightly colored dresses and matching ties were all around. Energy flowed through the crowd as hours passed. Glow necklaces were tossed out from the stage, and students ran to catch them.

The evening was full of great music and dancing, fun, smiles and laughter. Sadly, Seniors were reminded that this was their last Assumption College ball, while the Juniors shouted their "goodbye's!"

Duck Day...

Joey's very first!

The Assumption College ducks were welcomed back to their home at the 5th Annual Duck Day event on April 15th, 2009. The ducks, which are taken care of by Professor Ken Moynihan and his wife Mary Jo during the winter months, were warmly welcomed by the crowd as they walked the red carpet to the pond. Assumption students and faculty gathered for the event along with children from the neighboring elementary schools to celebrate. Each year, Duck Day t-shirts and rubber duckies are sold prior to the event, the proceeds of which go to a charity that works with animals. This year the donation went to NEADS, an organization that provides service dogs for deaf and disabled Americans. Additionally, because this year's Duck Day was during National Library Appreciation Week, a committee composed of Barrie Mooney, Carole Myles, Dawn Thistle, Janice Wilbur, Julie O'Shea, and Philip Waterman wrote a children's book, "Joey's First Duck Day," illustrated by Michael Teehan. Joey the Duck was in attendance at Duck Day 2009. He enjoyed his first Duck Day and looks forward to many more to come!

As Assumption College attempts to become more sustainable, it was fit to celebrate Earth Day with a week long event. Lani Heidenheim, Environmental Coordinator of RHA, headed the event and made it a success with the help of her fellow RHA executives.

This TV-themed week started with a "Wild and Crazy Day Out" on Sunday, based on the hit Nickelodeon show in the 1990's. Monday featured a tie-dying event, which was aptly titled, "Extreme Makeover: T-shirt Edition." On Tuesday and Wednesday, RHA and the Environmental Club exchanged plastic bags and old light bulbs for re-usable and more efficient ones. On Wednesday, there was also a "Super Market Sweep Bingo." The week closed on Thursday, with a celebration held in Charlie's, a game of Recyclojeopardy and a Peeps eating contest.

Overall, the week was a success. The main goal was to raise awareness, and I feel as though we reached that goal.

Love at its Finest Fall

This year, Assumption's drama club, AC Upstage, featured two fall plays, Love at its Finest, and Tick Tick Boom!

Junior Jim Thibeault wrote Love at its Finest, which focused on the craziness that love offered its two main characters, Michael and Justine. It starred sophomore Juliana

Morrison, seniors Mark Coutu, Melissa Nally, Steven Grasse, Jared von Manteuffel and James Thibeault and was directed by Brian Tivnan.

Senior Amy Laurendeau produced Tick Tick Boom!, a three person musical written by composer Jonathan Larson, who also wrote RENT. The musical

& Tick, Tick, Boom! Plays

brings his life to the center stage, focusing on his hardships in SoHo, New York. It starred sophomore Benjamin Krol, Assumption graduate Mark Blessington, and freshman Meline Vergne Skelley.

Both shows put on amazing performances, showcasing not only the acting talents of

Assumption College students, but also the talent of writing and producing such shows that entertain many.

The Fantasticks:

Debut at Hanover Theater

"We're taking over the Hanover Theatre!" said Brian Tivnan, Assumption theater professor and director of this year's spring musical, *The Fantasticks*, the longest running musical in the world.

The original off-Broadway production of *The Fantasticks* ran for 17,162 performances over 42 years. Its music, lyrics and script, written and composed by Harvey Schmidt and Tom Jones, ties in elements from other famous theatrical works such as Shakespeare's *Romeo and Juliet* and *A Midsummer Night's Dream* and Edmond Rostand's *The Romancers*.

The Fantasticks is a complex, intertwining story of romance, betrayal

and denial between the two main characters, Luisa and Matt. Against the wishes of their feuding fathers, the two young people fall in love. The plot takes a turn when they later find out that their fathers are actually friends who had devised a plan to get the children to marry.

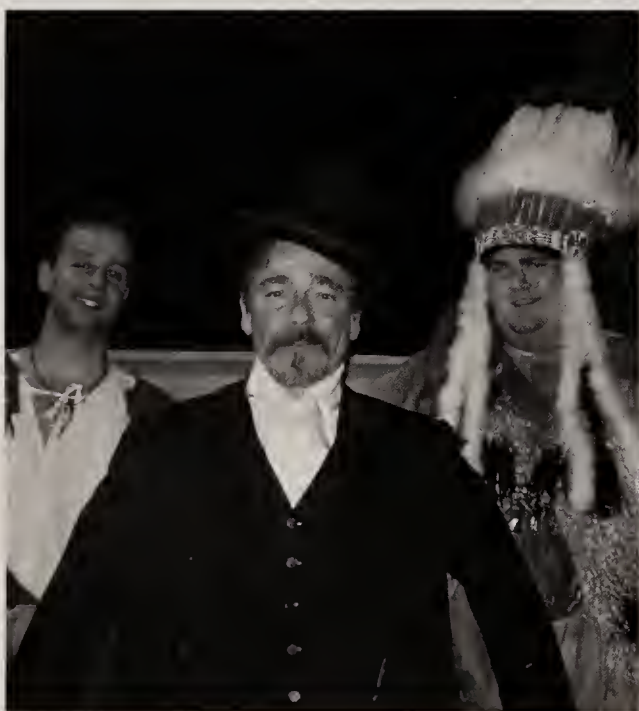

Despite the almost-perfect situation, Luisa and Matt begin to fight. With the persuasion of other characters, including the mysterious El Gallo, the two part ways, leaving the audience in apprehension as to whether they will end up together or not, according to Broadway.com.

With a small cast of only eight characters, the show seeks the best

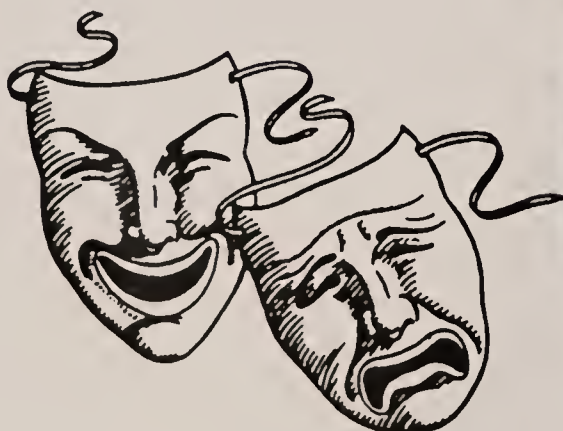

musical talent in order to ensure stellar performances. Readying his hand-picked cast for a production that will make history at Assumption College, Brian Tivnan feels that this show "will give the cast a chance to work on a 'state of the art' Broadway stage."

Being performed in Worcester's grandest theater, *The Fantasticks* will come alive for the viewers as if they are watching a show on Broadway. With musical numbers including: "Soon It's Gonna Rain," "Round and Round," and "They Were You," *The Fantasticks* is an enchanting production that was enjoyed by all who went to see it.

"Love Song," by Sara Bareilles, was one of the most played songs this year. Assumption's Campus Activities Board was proud to announce that she, and fellow artist Mat Kearney, would be appearing on stage April 18th in the Plourde Recreational Center.

Not only did they rock the stage, but the hearts of many students.

Spring at Assumption!

After a harsh winter of ice storms and several feet of snow, it seemed like Assumption College students would never see spring.

Then, starting in late April, the campus was hit with warm weather. The students were able to sit outside and enjoy the 80° weather with ice-cold drinks in hand.

Even though this year is shortly coming to a close, the days are becoming longer, and students are able to reminisce as the sun slowly dips behind the horizon.

Honors Convocation

Celebrating Academic Excellence

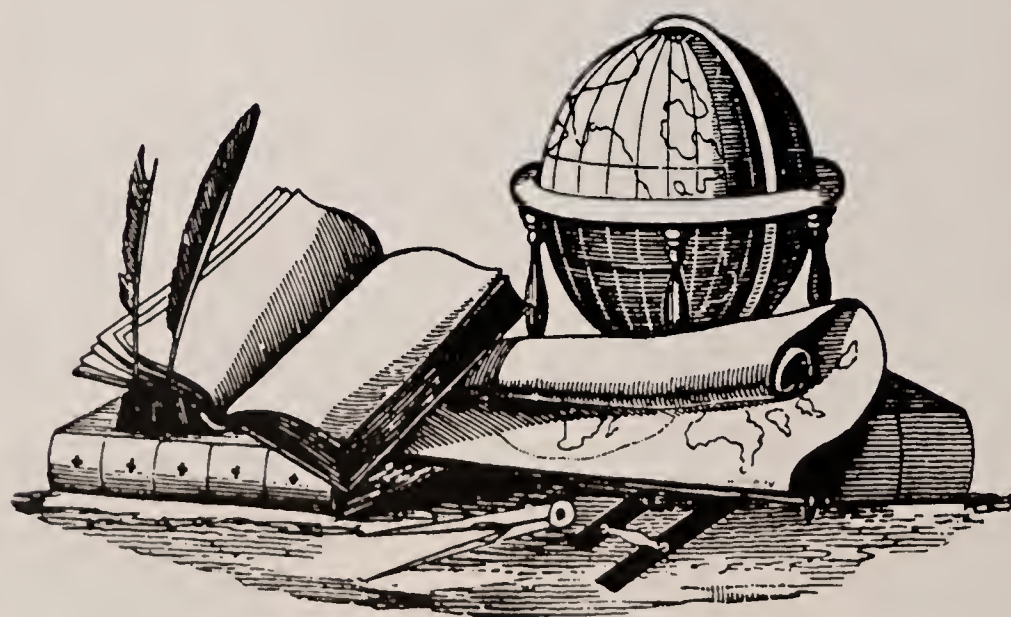

The twenty-fifth annual Honors Convocation was held in the Chapel of the Holy Spirit on April 27, 2009. Professors, family, and friends gathered to recognize students receiving awards for academic excellence. President Francesco Cesareo welcomed those who attended, Carolyn Clancy '82 addressed the students with an inspiring speech, and the Chorale filled the Chapel with beautiful voices. At the conclusion of the ceremony, a reception was held in the Atrium of the Testa Science Center.

Storm of 2008

Above: Trees on campus were encased in ice

Midnight Breakfast started out innocently, just as every other pre-finals feast in years past. But Mother Nature had a little surprise for the Assumption Campus as sleet began to come down. The power across campus began flickering in and out and by 10pm campus was officially without power.

Hopeful that the first day of finals would be cancelled, students woke up the next morning to both a beautiful and terrifying scene. Many students wandered around campus, marveling at the renovations nature had made throughout the night. The Assumption campus was covered in a thick layer of ice; trees were broken in half or dangerously bending under the weight. Cars and buildings had been damaged as result of wayward branches. The entire quad was transformed into a wasteland, even though everything glittered and sparkled.

Campus remained without power for several days, upsetting finals week and forcing many students out of their dorms. Students that stayed on campus found ways to cope with limited generator power, studying in hallways or in cramped living rooms. Power finally returned to campus, finals were rescheduled and resumed and the Assumption community attempted to get back on track. The ice storm of 2008 has left a lasting impression both the landscape of Assumption and the memories of its community.

A Few Special Words...

This was the first year that the Heights yearbook has had staff editors responsible for each section. We not only had a full staff, we had a creative one as well. It was with their help that we modified previous yearbook arrangements to provide you with a more extensive senior section. At the beginning of the year only a few of us were friends, but by the end we were a close-knit staff spending time together outside of the office. Thank you, our fellow staff members, from the bottom of our hearts for all of your hard work and dedication. This yearbook would not have been the same without the four of you.

We would also like to thank the following people:

Erica Mandeville, Heights Yearbook Advisor

As a second year Heights Advisor, Erica was able to provide us with many tips on how to be efficient with such a large task. She spent numerous hours editing pages and even more motivating us. Erica is a great individual and it was a pleasure working with her.

Dan Smith, Herff Jones Yearbook Specialist

"Yearbook Specialist" is a very appropriate title for Dan. It was with his help that the entire process went smoothly. He was always available to answer questions and provide us with tricks to make the pages more professional. We are glad to say that we became acquainted with Dan, who we found to be very wise.

McGrath Studios

We would like to thank the company, particularly Steve Forslund, for providing us with the senior portraits and photos of major events. McGrath Studios always provided us with exceptional photographs that have made the yearbook top-quality.

Lili Zannotti, Administrative Assistant to the Director of Student Activities

It is great to say that we got to know such a wonderful person. Lili was there when we needed her knowledge and her amazing cooking skills. She provided the entire staff with a night off campus, hosting dinner at her house.

President Francesco Cesareo and Meghan Cassidy, Class of 2009 President

We are grateful for the time President Cesareo and Meghan Cassidy took to prepare the letters seen at the opening of this book.

Mark Zuckerberg, CEO of Facebook

A big thank you to the creators of Facebook for making a social networking website available to us. Their service made finding pictures and names much easier.

Seniors 2009

Thank you for submitting pictures and allowing us the opportunity to represent our class in pictures and words.

And thank you to many others, including those who wrote the summaries for the event pages.

Although the theme, "A Paws in Time," is a play on words, we hope that you took time to pause and thoroughly enjoy the pages within this book.

In addition, we would like to thank each other. We have spent several late nights together preparing what we hope will be the yearbook that holds many of your favorite memories from Assumption College.

Cecilia Santos, Class of 2009

Editor-in-Chief

Laura Tyler, Class of 2009

Assistant Editor

Thank you!

I would like to thank all of the administrative assistants, faculty, and staff members who helped me coordinate the department pictures in a timely manner. Similarly, I want to thank everyone who submitted pictures of their clubs, especially Melissa Nally and the Resident Directors. It was very nice to not have to rush around during a deadline and for that I thank you.

Next, I would like to say thanks to everyone who helped me play "Name that Professor or Staff Member." Top players include Matt Kisil, Courtney Smith, and the Heights Yearbook Staff. This game is not as easy as it sounds as it involved a lot of research both online and in past yearbooks. In extreme cases, e-mails were sent to department secretaries and staff members when everyone was stumped.

Lastly, I want to give a huge thank you to my fellow editors. For keeping me company during the long days and nights in the office and keeping me sane during a deadline; for helping me figure out which layouts worked best, even if I was being stubborn; for taking pictures of faculty and clubs when I was unable to go; for being a fabulous staff and even better friends. I love you girls, thanks for being awesome.

Kim Ricciardone, Class of 2009
Faculty, Administration,
Staff, and Clubs Editor

I would like to thank my fellow yearbook editors and Erica Mandeville for an awesome yearbook experience. Thanks for always supporting one another and making sure everything ran smoothly, and especially thanks for all the laughter during our meetings! I would also like to thank the underclassmen who helped by providing photographs and articles, because without their help there would be no Underclassmen section!

Marissa Howard, Class of 2009
Underclassmen Editor

I would like to thank Dan Han for graciously supplying me with an array of photos covering a multitude of campus events. Dan made the Student Life section livelier with his great photographic skills. Thank you!

Lani Heidenheim, Class of 2009
Student Life Editor

I would like to thank Steve Morris and Richard Orr for making the sports section possible. Richard Orr took the pictures and Steve Morris kindly provided me with the processed picture CDs with all of the players' names. Without the two of them I would have had a more stressful workload.

Jen Bertone, Class of 2009
Sports Editor

Kara Berggren

Kara,

From your first day of school to your last day of school, we have been proud of you all the way!

Love Always,
Dad, Mom, Jill, and Amy

Ashley Blouin

Your accomplishments and success in life is only second to you as a truly wonderful person. May all your hopes and dreams continue to be the reality of your life.

With Love,
Dad-xo

P.S. You know your Mom is proud of you and always will be.

Stephanie Boucher

Stephanie, As you continue to grow in Light and Love, consider Emerson's interpretation of success: *To laugh often and much, to win the respect of intelligent people and the affection of children, to earn the appreciation of honest critics and endure the betrayal of false friends, to appreciate beauty, to find the best in others, to leave the world a bit better, whether by a healthy child, a garden patch, or a redeemed social condition; to know even one life has breathed easier because you have lived. This is to have succeeded!* You are well on your way, *jeune fille*... congratulations!

With much love and admiration, Mom and Dad
It takes courage to grow up and become who you really are. ~e.e. cummings

Courtney Lois,

We've been fans of yours since day one! You have class,
goodness, intelligence, a great sense of humor and an
enviable sense of style- everything it takes to be a success
in the real world. Our only sadness is that we won't get
to watch you continue to excel. We'll miss your company,
your smile, your many facial expressions, and all of your
beautiful scarves. But, most of all, we'll miss our time with
you, Courtney Lois Adams. May God bless you in all of your
future endeavors! We'll never forget you. And, if we get
to lonely- well- there's always YouTube.
